Solutions

NJSSA at ISSA

The New Jersey Sanitary Supply Association will have a booth at the ISSA Show in Chicago, October 7-9. Our **booth number is 2201** so please stop by and visit us. Drop your business card in our basket and win either a free booth or registration attendance to the [2010 Supply Line](#) show at [Trump Taj Mahal](#), Atlantic City, May 5 and 6, 2010.

And speaking of Supply Line 2010, see the next article.

Supply Line 2010 Sponsorship Opportunities

The NJSSA Board of Trustees and Show Committee approved the addition of new sponsorship opportunities for exhibitors to enhance their Supply Line 2010 experience. These Medal Sponsorship Opportunities gain Special Recognition for your Firm. By sponsoring a key show activity you will:

- Be seen by your target audience and increase your market share!
- Be able to promote your product not only in your booth but at other venues during Supply Line 2010!
- Showcase Your Firm's Name and Logo to Participants!

Take advantage of these special sponsor opportunities by [clicking here](#) for the reservation form.

If you haven't signed up to exhibit at Supply Line 2010, [click here](#) for an exhibiting brochure.

Nominations for New Associate Board Member and Other Positions on the Board Due by October 15

In 2008, the NJSSA Board of Trustees approved the addition of an Associate Member to serve on the Board of Trustees. Associate members have a voice but not a vote on association matters; however, the Board would like to have a representative from this member segment serve on the Board to provide information and feedback from this important group.

If you are interested in serving or wish to nominate someone to serve, [please click here for a nomination form](#). The nominated person must be a member of the NJSSA and associate members include cleaning contractors, educational and institutional building maintenance managers and service contractors. If you have any questions, please call Pat at 973-283-1400.

Nominations for two (2) manufacturer representatives and two (2) manufacturers to

serve on the Board of Trustees are also needed. Please [click here](#) for the nomination form. We encourage members to step forward and help guide the association in 2010.

Operation Clean Sweep - October 17, 2009

Dan Rubinstein, Social Outreach Committee Chair & NJSSA Trustee, recently sent a letter to all NJSSA members seeking donations and volunteers for the 2009 Operation Clean Sweep event to be held October 17 at The Rescue Mission of Trenton.

The Rescue Mission of Trenton is the agency in Trenton that serves the truly needy men and women who have no place to turn for shelter, food, and clothing. The Mission provides a safe, clean, warm refuge for the homeless, the hungry, the transient, and the addicted. The Mission also provides services and counseling to encourage individuals to reach their greatest potential in an environment where one can live with dignity, build self-esteem, experience love, responsibility, and hope.

We have selected this facility, which is in the center of New Jersey and more conveniently located, to encourage all our members to participate in helping this worthy program. Please visit the Rescue Mission's website at www.rescuemissionoftrenton.org to see what their programs are about.

Breakfast will be provided for all at 8:00 am at a location to be announced. The facility is located at 98 Carroll St., Trenton, NJ. [Click here for directions](#). Operation Clean Sweep is an excellent way for cleaning companies to give back to community-based programs in need. Many NJSSA member firms have been a part of all previous events and we are very grateful for the support we have had in the past. Please help us continue to show how our industry cares about New Jersey by volunteering ([click here for volunteer sign up form](#)) and providing much needed donations of supplies ([click here for donation form](#) and "wish list" for the Rescue Mission).

Your participation is greatly appreciated.

Mission Statement

NJSSA's mission is to provide venues that enable members and associates to participate in commerce, networking, educational, charitable, and social activities. We improve the industry by supporting best practices and promoting the industry as professional and as environmentally sound. We keep our members apprised of political, environmental, technological, or other challenges that affect them in and around the New Jersey area.

Vision Statement

NJSSA will be the primary voice and source for information, education, and networking for businesses within the cleaning and maintenance industry in and around the New Jersey area. We will provide the best resources to benefit the industry.
